These reasons must be one of the stated reasons in paragraph 5.1(2).

6. DATA QUALITY

6.1 DOT DM shall take reasonable steps to make sure that the Personal Information it collects, uses or discloses is accurate, complete and up-to-date.

7. DATA SECURITY

7.1 DOT DM shall take reasonable steps to protect the Personal Information it holds from misuse and loss and from un-authorized access, modification or disclosure.

7.2 DOT DM shall take reasonable steps to destroy Personal Information if it is no longer needed for any purpose for which the information may be used or disclosed under the “Use and disclosure” section of this Policy.

9. ACCESS AND CORRECTION

9.1 If DOT DM holds Personal Information about a Registrant, it shall provide the Registrant with access to the information on request by the Registrant, except to the extent that:

11.1 A Registrant's request not to be identified when entering transactions with DOT DM shall be considered by DOT DM on a case by case basis, in its sole discretion, although DOT DM will endeavour to honour such request wherever it is lawful or practicable to do so.

12. TRANS-BORDER DATA FLOWS

12.1 DOT DM may transfer Personal Information to someone (other than DOT DM, its affiliates or the Registrant) who is in a foreign country only if:

- (1) DOT DM reasonably believes that the recipient of the information is subject to a law, binding scheme or contract which effectively upholds principles for fair handling of the information that are substantially similar to the privacy principles under DOT DM Policies; or
- (2) The Registrant consents to the transfer; or
- (3) The transfer is necessary for the performance of a contract between the Registrant and DOT DM, or for the implementation of pre-contractual measures taken in response to the Registrants request; or

 - (a) is physically or legally incapable of giving consent to the collection; or
 - (b) physically cannot communicate consent to the collection; or
- (4) where the information is collected in the course of the activities of a Non-profit Organisation the following conditions are satisfied:
